**COMMON ORDER**

**[Order of the Court was made by S.M.SUBRAMANIAM, J.]**

The present batch of writ petitions have been instituted seeking either to close down the Recreation Clubs, which are recently mushrooming in the urban and rural areas or not to grant FL-2 licence to run liquor shops in the name of Recreation Clubs.

**W.P.(MD) No.8038 of 2019 etc. batch**

**2.** The large scale complaints placed before this Court show that numerous Recreation Clubs are registered under the Tamil Nadu Societies Registration Act, 1975, and those Recreation Clubs are running only liquor shops and selling liquors to not only the members, but also to the non-members. In the State of Tamil Nadu, retail vending liquor shops are being run only by the TASMAL, a fully State-owned Corporation and no license has been granted to the private individuals to run retail liquor shops. Since licenses are not granted to run liquor shops, the private individuals are registering Recreation Clubs under the Tamil Nadu Societies Registration Act, 1975 and by obtaining FL2 license, they are running liquor shops alone, which is causing not only inconvenience to the residents residing in that locality, road users etc., but such Recreation Clubs are allowing the persons to involve in certain offenses inside the premises. These clubs are mostly remain unchecked by the officials of the Registration Department as well as by the police officials. The happenings inside these Recreation Clubs are since non-transparent, no actions are taken either by the police officials or by the officials of the Prohibition and Excise Department or by the competent

authorities under the Tamil Nadu Societies Registration Act, 1975. This situation resulted in institution of number of writ petitions before the High Court seeking either to close down the Recreation Clubs or not to grant FL2 license to these Recreation Clubs, who all are running only retail vending liquor shops.

**3.** This Court has examined the relevant rules in this regard. The Assistant Commissioner (Excise), Pudukkottai, has filed a status affidavit, dated 14.08.2025, in W.P.(MD) No.7409 of 2024. In the said status affidavit, the rules relating to grant of FL2 licence have been stated in Paragraph No.4, which reads as under:

*a) Rule 2 (vii):-*

*“Licence” includes the privileges granted under Section 17-C of the Act for the sale by retail of Indian-made Foreign Spirits and foreign liquor issued under these rules, and “licence holder”, means the holder of such a licence.*

*b) Rule 17(a):-*

*17 (a) Kinds of licences — The licences issued under these rules shall be of the following kinds, for the purposes specified in the Act.*

*(A) Licences for liquor used for consumption The licences*

*issued under this class are for privilege of sale of Indian Made Foreign Spirits in retail under section 17-C of the Act or for sale of foreign liquor.*

*F.L. 1 – Licence for the grant of privilege of retail sale of bottled Indian – made foreign spirits or sale of foreign liquor.*

*F.L. 2. – Licence for possession of liquor by a non-proprietary club for supply to members.*

*c) Rule 19 (B) (2):-*

*In the case of an application for a licence in Form F.L.2. -*

*(i) that the club in respect of which the licence has been applied for is of a non-proprietary character functioning for more than 3 years and*

*(ii) that atleast 50 of the members of the club have signified their willingness to obtain liquor from the said club or that the club should have functioned with a bar in the pre-prohibition days and have on its rolls not less than 50 persons.”*

**4.** Pertinently, the Tamil Nadu Prohibition Act, 1937, and the Tamil Nadu Societies Registration Act, 1975, do not specifically give definition to the word “Recreation” used in Section 3 of the Tamil Nadu Societies Registration Act, 1975, and the word “Club” used in Rule 17(a) of the Tamil

Nadu Liquor (Licence and Permit) Rules, 1981.

5. However, in the counter affidavit of the Inspector General of Registration, it has been stated that the Oxford Dictionary has given a meaning for the word “Recreation” as follows:

*“Any activity that refreshes, satisfies, and brings enjoyment to people, in which they engage on a voluntary basis during leisure time.”*

6. As far as the Tamil Nadu Societies Registration Act, 1975, is concerned, these Recreation Clubs have admittedly registered their clubs under the said Act. The relevant provisions of the Tamil Nadu Societies Registration Act, 1975 and its Rules, have been enumerated in the counter affidavit of the Inspector General of Registration as follows:

*“4.1. Section 3(1) of the Act, reads as hereunder:*

*“3. Societies which may be registered:- (1) Subject to the provisions of sub-section (2), any society which has for its object the promotion of education, literature, science, religion, charity, social reform, art, crafts, cottage industries, athletics, sports (including indoor games), **recreation**, public health, social service,*

*cultural activities, the diffusion of useful knowledge or such other useful object with respect to which the State Legislature has power to make laws for the State, which may be prescribed, may be registered under this Act.*

*(2) Notwithstanding anything contained in sub-section (1), no association which has for its object the improvement of the economic condition of workmen, no club where games of chance providing prizes for winners are played and no society which does not consist of at least seven persons shall be registered under this Act.*

*4.2. Section 4 of the Act speaks about the 'compulsory registration of certain societies' and Section 5 says about the 'optional registration', viz., any society which has for its object -(a) the promotion of religion, athletics or sports (including indoor games); or (b) any other object mentioned in, or prescribed under, section 3 and to which society the provisions of section 4 are not applicable, may, at its option, be registered under this Act.*

*4.3. Section 6 of the Act deals with the 'Memorandum, by-laws etc. to be filed with the 'Registrar'. Section 10 of the Act deals with 'Certificate of Registration' while Section 12 deals with 'Amendment of memorandum and by-laws'. Section 16 deals with 'Accounts and audit'.*

**7.** In the context of the Tamil Nadu Prohibition Act, 1937, Tamil Nadu Societies Registration Act, 1975 and the Tamil Nadu Liquor (Licence and Permit) Rules, 1981, framed under the Tamil Nadu Prohibition Act, 1937, an effective coordination between the authorities is of paramount importance for the purpose of dealing with complaints, offenses, etc.

**8.** In the name of Recreation Clubs, FL2 licenses have been obtained and retail selling of liquor alone is the business carried on in such Recreation Clubs. The authorities competent knowing these facts remain as silent spectator, since the owners of these Recreation Clubs are either political

persons or influenced persons in the particular locality. By registering the clubs under the Tamil Nadu Societies Registration Act, 1975 and by obtaining FL2 licenses under the Tamil Nadu Prohibition Act, 1937, these clubs are running retail vending liquor shops and the authorities concerned have miserably failed to conduct inspections and initiate action against the irregularities, illegalities, if any identified.

**9.** These Recreation Clubs are circumventing the provisions of the Tamil Nadu Societies Registration Act, 1975, Tamil Nadu Prohibition Act, 1937 and various other laws for the purpose of selling liquors in the clubs under the guise of supplying liquor to its members. Whether the list of members is submitted before the Registrar of Societies, the genuinity of the members is ascertained and the objectives of the Recreation Clubs are made in consonance with the by-laws or not have not been verified by any of these authorities. No doubt, the word “Recreation” has not been defined either under the Tamil Nadu Societies Registration Act, 1975, or under the other Acts. However, the Tamil Nadu Societies Registration Act, 1975, is an Act to register a Society, which would function for the betterment of the society and to develop the communal living in accordance with law. Therefore, the word

“Recreation” cannot be misinterpreted for the purpose of selling liquor alone in the Recreation Clubs. These Recreation Clubs are becoming greater nuisance to the nearby residents and to the society at large. These Recreation Clubs are circumventing the TASMAL Shops fully owned by a Corporation of the State Government. However, the Government authorities are paving way for these private individuals to operate retail liquor vending shops and allow them to sell liquor to the members and non-members. Since the owners of these Recreation Clubs are either belonging to political parties or influential persons in that locality, the corrupt activities in these Recreation Clubs cannot be overruled.

**10.** Some of the by-laws of the Recreation Clubs produced before the Courts show that the objectives are noble, but, it do not speak about the selling of liquor in retail by obtaining FL2 licenses. The objectives of these Recreation Clubs appear to be for the well-being of its members and the activities of selling liquor is not at all incorporated in the by-laws. These aspects are neither verified by the Registrars, Police Department and the other competent authorities.

**11.** The Tamil Nadu Prohibition Act, 1937, has been introduced for prohibition of the manufacture, sale and consumption of intoxicating liquors and drugs in the State of Tamil Nadu. The very objective of the Prohibition Act, 1937, is to comply with the directive principles under Part-IV of the Constitution of India. However, the Welfare State is expected to effectively implement the Tamil Nadu Prohibition Act, 1937, and its objectives in its letter and spirit by effectively preventing such private individuals to circumvent the TASMAC retail liquor vending shops and also establishing liquor shops by obtaining FL2 license and selling liquor to not only the members, but also to the non-members.

**12.** A holistic reading of the provisions of the Tamil Nadu Prohibition Act, 1937, enumerates “punishment for being found in a state of intoxication. As per Section 4-A of the Tamil Nadu Prohibition Act, 1937, whoever is found in a state of intoxication in any public place and whoever, not having been permitted to consume any liquor or intoxicating drug in pursuance of the Tamil Nadu Prohibition Act, 1937, is found in a state of intoxication in any private place shall be punished with imprisonment for a term which may extend to three months or with fine, which may extend to one

thousand rupees. However, in order to defeat the very provisions of the the Tamil Nadu Prohibition Act, 1937, the private individuals are establishing liquor shops in the name of Recreation Clubs and selling liquor in retail to the members as well as to the non-members and residents of the locality. Thus, complaints are made against such Clubs frequently.

**13.** The writ petitioners have stated that these Recreation Clubs are causing greater nuisance to the residents and people of that locality. No inspections are conducted by the police officials regarding the illegalities and offences being frequently committed inside these Recreation Clubs. The authorities remain mute spectator and therefore, an inference is to be drawn that either corrupt activities are going on or the police officials and other authorities have hand in glove with these influential persons and the political persons, who are all owners of these Recreation Clubs.

**14.** The learned counsels appearing for the Recreation Clubs denied the allegations raised by the petitioners. However, this Court is of the considered view that these nature of complaints may not be raised ordinarily by the common men / residents in that locality unless they suffer nuisance or

threat from and out of the activities of the Recreation Clubs, more specifically, selling liquors to the members and non-members. There may be some excessiveness in projecting the allegations. But, such complaints in entirety cannot be brushed aside. The activities of these Recreation Clubs are now commonly made known to the public domain. Thus, mere denial of the allegations by the Clubs would be insufficient. But, the competent authorities are duty bound to conduct frequent surprise inspections to ascertain the activities of these Recreation Clubs.

**15.** No doubt, consumption of liquor is an individual choice of a person. However, such liquor shops causing nuisance or posing threat to the residents of that locality must be looked into and appropriate actions are to be initiated by conducting surprise inspections and verifying the licences, registration and other documents etc. There is no specific clause / objective in the by-laws approved by the Registrar for selling of liquor by obtaining FL2 licence from the Prohibition and Excise Department. In the absence of any such clause in the by-laws, which are to be approved under the Tamil Nadu Societies Registration Act, 1975, selling of liquor in the Recreation Clubs cannot be permitted and it is a violation of the by-laws of the Societies. Thus,

the District Registrar concerned is bound to verify the activities of the Recreation Clubs and the list of members in the context of the by-laws approved. In the event of identifying any irregularity, illegality or violation of the by-laws, actions are to be initiated by conducting inspections and criminal prosecution is to be launched. Sale of liquor inside the Recreation Clubs must be in accordance with the statutes, rules and the approved by-laws in force. The conditions stipulated in the licence by the Prohibition and Excise Department to sell liquor are also to be scrupulously followed.

**16.** Mere incorporation of the word “Recreation” in the by-laws would be insufficient. The activities undertaken by these Clubs must be specifically stated in the by-laws and to be approved by the District Registrars under the Tamil Nadu Societies Registration Act, 1975. The Prohibition and Excise Department is bound to verify the approved by-laws before granting FL2 licenses to these Societies. While considering the applications for grant of FL2 licences, locations, restrictions, prohibitions all are to be considered by the competent authorities. The Inspector General of Registration is bound to ensure that the Recreation Clubs, which do not have incorporated the sale of liquor by obtaining FL2 licences, are dealt with in accordance with the

provisions of the Tamil Nadu Societies Registration Act, 1975, for violations. Enquiry is to be conducted by the District Registrars. The objectives as stated in the by-laws and approved by the authorities concerned are being complied with or not is to be verified by the competent authorities under the Tamil Nadu Societies Registration Act, 1975. On identification of any illegality or non-compliance, enquiry, as contemplated under Sections 36 and 37 of the said Act, is to be initiated and by following the procedures, appropriate orders are to be passed.

**17.** The Commissioner of Prohibition and Excise Department shall not grant FL2 licence to these Recreation Clubs in a routine manner. Prohibited locations, number of Recreation Clubs seeking FL2 licences, genuinity of the by-laws, incorporation of necessary clauses in the by-laws are all to be verified before considering the applications seeking FL2 licences for selling liquor to the members of the Club. In the name of Recreation Clubs, retail selling of liquor cannot be allowed in a routine manner so as to infringe the rights of the residents of the locality and affecting the public health. Maintaining public health is the duty of the State Government under the Constitution. “Public Health” is the State subject and therefore, the State

Government is expected to regulate the activities in public interest and for maintenance of “Public Health” in the society as enumerated in the Constitution and under various laws. Establishing Recreation Clubs for selling liquor nearby the hospitals, educational institutions, religious institutions etc., are to be verified before granting FL2 licence. No FL2 licence is to be granted in such prohibited areas to the Recreation Clubs.

**18.** It is brought to the notice of this Court that several Recreation Clubs registered in one district are getting their FL2 licences transferred to other districts and running retail vending liquor shops alone in the name of the Recreation Clubs. Such transfer is impermissible. FL2 licence alone cannot be transferred. Transfer of Recreation Clubs from one place to other place is to be done by following the procedures as contemplated under the statutes and rules in force. If there is no provision, such Recreation Clubs may not be allowed to function. Any illegality in the matter of transfer of FL2 licence from one district to another district cannot be considered and such activities would lead to anomalous situation resulting in illegality. The police officials, authorities of Prohibition and Excise Department must periodically monitor these activities and prosecute the offenders and cancel the FL2

licences by initiating all appropriate and necessary actions.

**19.** In view of the facts and circumstances of the case, this Court is inclined to issue the following directions:

- (i) The Inspector General of Registration is directed to ensure that the Recreation Clubs selling liquor have incorporated a specific clause in their by-laws, which must be approved by due verification and in accordance with the laws in force. In the absence of any such clause in the by-laws, registration of such Recreation Clubs is to be cancelled.
- (ii) In view of the facts and circumstances, this Court is of the view that it would be appropriate to *suo motu* implead the Director General of Police as a party respondent in this matter. Accordingly, the Director General of Police, No.4, Dr.Radhakrishnan Salai, Mylapore, Chennai-600 004, is *suo motu* impleaded as a party respondent in W.P.(MD) No.7409 of 2024. Prosecutor, takes notice for the newly impleaded Director General of Police. Registry is directed to carry out the impleadment.

- (iii) The Director General of Police is directed to ensure that periodical surprise inspections are conducted by the police officials in the Recreation Clubs and its licences, documents and the activities inside the Clubs are verified and in the event of identifying any offence or illegality, the offenders are to be prosecuted. The criminal actions taken by the police authorities must be intimated to the concerned District Registrar of the Registration Department for the purpose of initiation of action under the Tamil Nadu Societies Registration Act, 1975.
- (iv) The competent authorities, on receipt of information or complaint, are directed to conduct inspections in the Recreation Clubs and verify the validity of the FL2 licences and the conditions stipulated therein

and initiate appropriate actions in the manner known to law.

- (v) The activities of these Recreation Clubs, genuinity of the objectives approved in the by-laws under the Tamil Nadu Societies Registration Act, 1975, all are to be monitored closely by the police authorities, authorities of the Registration Department and Prohibition and Excise Department, so as to ensure the right to life of the residents in that locality and in order to maintain public health by the State, which is a mandate under the Constitution of India and the fundamental rights ensured to the citizens in general.
