ORDER

Devan Ramachandran, J.

We begin recording upfront that we will not, and cannot, take these matters as being adversarial.

2. The assertion on one side is that there are defects to the “Moolavighraha” of the Temple; while on the other, it is stated that they have been rectified, or are in the process of being rectified.

3. We have no doubt that in spiritual matters of the Temple - in contradistinction to the temporal matters - it is the opinion of the Thantri which is acme because he enjoys the status of father of the deity.

4. Sri.R.Suraj Kumar - learned standing counsel for the Administrative Committee, affirmed the above; adding that an Expert Committee was constituted, after Ext.P3 report (in WP(C) No.7039/2025) had been adverted to. He also conceded that the Hon'ble Supreme Court had issued certain directions, which are being implemented in its letter and spirit.

5. However, we notice that the Expert Committee Report is not before us.

WP(C) Nos.7039 & 19711 of 2025

2

6. Though a Note by the Thantri, marked as Ext.R3(3) is available, we are of the firm view that it may not be sufficient because, as we have said above, this case would revolve around the opinion and the impressions of the Thantri, more than anybody else.

7. Though the Executive Committee or the Administrative Committee, as the case may be, may have a say in temporal matters of the Temple, when it comes to the spiritual matters, we may have to give precedence to the opinion of the Thantri. We have no doubt, therefore, that our interaction in this case will have to be direct with him, which we will do in due course.

8. As matters now stand, this Court has not been favoured with a copy of the Expert Committee Report, nor do we have any further input on Ext.R3(3), in the form of an Action Taken Report.

9. We, therefore, adjourn this matter to be called on 11th September, 2025, directing the Administrative Committee to place on record:

(a) The Expert Committee Report

(b) A Note from the Thantri with respect to the action to be taken, or having been taken.

WP(C) Nos.7039 & 19711 of 2025

3

(c) An Action Taken Report by the Committee in consonance with the opinion and directions of the Thantri.

We close this order under the hortative hope that all the stakeholders understand that while dealing with such matters, what is relevant is not controversy, but the concerted belief and wishes of the millions of people who have their conscience focused on the idol. The cosmic power generated is beyond description, and it is the responsibility of every generation to ensure that the same is maintained, to be handed over to the next. This is what we want the Committees to ensure, but without interfering with the spiritual activities, which shall be controlled, in the normal course, by the Thantri and other spiritual experts.
